***We will be staining the District's common area side of your perimeter fence from June 8th to June 22. Please remove any belongings that are near the [fence](#). We may suggest to you to move your vehicles if they are in danger of overspray. If you need assistance with any heavy or awkward item, please let us know. We would be glad to help.***

***If you are interested in having us stain your inside portion of the fence, we charge approximately \$9.50 per section after 20% discount for homeowner first time customers. Sections are determined from post to post. Gates are considered sections. Any sections smaller than gates will be discounted accordingly. If interested, please contact Andy at Taggart's Painting to go over details and for scheduling. If you have any questions or concerns , please don't hesitate to contact us at any time. We look forward to improving your home and property!***
